## Report Description

This report lists detailed data for the individual unit groups within a TSD facility. Details include the process code, legal and operating status, commercial status, notes, and permitted waste codes. The report also shows the unit group's number of units, capacity and capacity type, unit of measure, standardized permit, and effective date.

The user has the option to show all unit detail history (listing the most recent detail first) or show only the current detail information.

Unit 1 was never permitted. However, a 1991 data upload to RCRIS erroneously identified the facility as being permitted. Unit 2 was created to correct the 1991 error, thus allowing credit for the November 2020 issued permit.
